

We have people at different seasons in life. Some of you have big families, some of you are married and others of you are single. No matter what season or stage of life you're at, we encourage you to use this time to get creative with people to stay connected and keep growing together. This is not the time to pull away from meeting together. This is not the time to stop engaging with one another. We need to be more creative, more intentional, and discover ways to come together more frequently. We have three fun suggestions for you.

"Discover creative ways to encourage others and to motivate them toward acts of compassion, doing beautiful works as expressions of love. This is not the time to pull away and neglect meeting together, as some have formed the habit of doing, because we need each other! In fact, we should come together even more frequently, eager to encourage and urge each other onward as we anticipate that day dawning."

Hebrews 10:24-25

Sermon Watch Party

Have your family or group members host a FB Watch Party for the Sunday Sermon. Be intentional about being present & engaged for an online service (similar to how a Moderator for your church account is, but with people logged into their own accounts). Members engaging with other church members is an awesome way to keep individuals connected with individuals. People will love seeing names of people they know, and faces they see at church. *"For the kingdom of God is not a matter of talk but of power."* - **1 Corinthians 4:20 (NIV)** We will do more than just post on social media, we will do more than just talk about strategy, we will be the church online... with power.

Social Media Intentionality

We're the church. We're God's Plan A to reach the word. Not just on Sundays. Everyday. Not just in the ways we are used to, but in every way possible. Remember that the Church is not a building or a place, but a people. If you've said "Yes" to Jesus, You are the Church! Continuously point people to Jesus and use social media as a tool for good every day of the week.

Here's 3 Quick E's on How:

1. **Engage** (Don't just scroll by people's lives. Comment, ask questions, engage.)
2. **Encourage** (Social media is an opportunity to tell people who they really are, what God says about them, and how much you love them... it's a chance to cheer them on!)
3. **Encounter God** (See people's posts as their prayer requests. Encounter God on behalf of people. Don't ignore what they're going through. Speak to God on behalf of them. See social media as a list of people's prayer requests, and opportunity to fight for them.) CHALLENGE!

Spend 15 intentional minutes every day on social media, living out the 3 E's.

Family Night

Whether you're a family of 3 or a family of 10, we encourage you to stay connected to other families. Pick a family that you have wanted to connect with and reach out to them. You can come up with a creative idea, eat (or pick up) the same meal, do desserts and play an online game together. Get your kids involved. Ask what games they like to play that are possible on a digital platform. Take a picture or record videos and post them on your Social Media (FaceBook or InstaGram) using the Hashtag **#LPCDistantButSocial** and tag other people to take on the challenge!

O.D.D. Night

Online Double Dating! (ODD) You may not be able to physically go out, but what about picking a couple, and scheduling an "Online Double Date"?! Come up with some creative ideas and discuss what you guys will have for dinner. Maybe it's picking something up to eat like Chick-Fil-A or Chipotle. Maybe you pick a movie to rent and watch together at the same time. Play a game through a fun App. Whatever it is, get creative and do something with another couple. Take a picture or record videos and post them on your Social Media (FaceBook or InstaGram) using the Hashtag **#LPCDistantButSocial** and tag other people to take on the challenge!

O.G. Night

Online Group! (OG) Whether Single, or you have a family of 5, take the lead and reach out to a group of individuals and have an OG Night! Find 4 - 8 people that you think need to have some fun in life and connect with them to give them a fun entertaining night! You can play a game, plan what food or dessert you'll eat, have fun conversation starters ready to use to start conversation or have everyone send each other one funny YouTube Video. Whatever it is, create a fun place for everyone to hop online so you can have an OG Night! Take a picture or record videos and post them on your Social Media (FaceBook or InstaGram) using the Hashtag **#LPCDistantButSocial** and tag other people to take on the challenge!

Leaders... You've got this! Before being a Social Media Influencer, we are Spiritual Leaders!

The mission is clear: Jesus, to everyone. Let's make people feel known like He knows them. Loved like He loves them. Let's step up and be the Church He is calling us to be.

"The tongue has the power of life and death, and those who love it will eat its fruit." **Proverbs 18:21 (NIV)** There's power in the tongue. There's Power in your post. There's Power in your comments. Offline and online, there's power in every single word. Let's speak (and type) ... life. Let's go!
