WHAT WE'RE LEARNING

Our Bible story this week is found in 1 Samuel 17. Have you ever faced something that seemed way too big to handle? Maybe it was a tough test, a big move, or a problem that felt impossible to solve. Sometimes, life can throw things at us that seem so much bigger than we are, and it's easy to feel small and unsure. But when we feel that way, we can remember that God is always with us, and He is bigger than anything we could ever face.

Bottom Line: Nothing is bigger than God!

WHAT WE'RE LEARNING

Our Bible story this week is found in Matthew 14:22-33. After an incredible day filled with miracles, the disciples found themselves climbing into a boat as Jesus told them to head across the Sea of Galilee while He stayed behind. A strong wind came, and all of a sudden the disciples realized Jesus was walking on the water toward them! Peter was so focused on Jesus that he was able to get out of the boat, and walk on the water toward Jesus. But, when Peter took his eyes off of Jesus, and on to the storm, he began to sink. This week's story is an important reminder of our need to stay focused on Jesus, and not the troubles in this world!
