NURSERY WEEK 1

WHAT WE'RE LEARNING

Our Bible story this week is found in John 9. One day, Jesus met a man who had been blind since birth. Everyone thought his blindness was because of someone's sin, but Jesus said it was so God's power could be shown. Then, JESUS HEALED HIM! Through this miracle, Jesus showed His power and love, proving He was the Son of God! Miracles like this help us to know who Jesus really is, and they point us to trust and believe in Him!
