“Live Strong for Christ Until the End!” 2 Timothy 4.1-8

SPEAKER: PASTOR MIKE BURNETTE

ICEBREAKER

WHAT KIND OF RUNNER ARE YOU? SPRINTER, DISTANCE, OR COUCH POTATO?

ALWAYS BE READY WITH GOD'S WORD (READ 2 TIMOTHY 4:1-2)

- What does it look like in your daily life to “preach the word”?
- Share a time when you have felt “in-season” / “out-of-season”.
- What do you do to stay ready in your off season?
- Are there ways you can improve your readiness?

ALWAYS BE DISCERNING AND FOCUSED (READ 2 TIMOTHY 4:3-5)

Pastor Mike said “this Word (the bible) doesn’t apply to my life. I have to apply my life to this word.”

- How does this statement Challenge you?

ALWAYS LIVE TO THE FULL, TO THE VERY END (Read 2 Timothy 4:6-8)

Pastor Mike said “I don’t know about you, but I want to live my WHOLE LIFE for Jesus! My public life, my private life, my married life, my family life, my calendar, my spending and my giving, I want to live EVERY PART of my life for JESUS!”

- What areas of your life have you maybe not fully yielded in service to Jesus?
- What does “fighting the good fight” look like in your life?
- What does “all in” to the very end mean to you?

ENCOURAGE

One way you can live your whole life for Jesus is by elevating the Bible in our daily lives. Read God's word, love God's word and trust and believe God's word, and live by God's word. Look forward to the day you get to hear "Well done good and faithful servant."

ASK

Reflect on the five closest people in your life. How is your life being impacted by their influence? Are you relying on God to be a top influence or are you relying more on those around you?

CHALLENGE

Challenge yourself to make sure that you keep your life teachable before God. Let his word and the preaching of his word teach you, train you, and correct you. Challenge yourself to never become the type of Christian that demands God's word fit your desires.

PRAYER

Dear Heavenly Father, thank you for providing me with the living word of God to teach and guide my life so that I can live according to your will. Please remind me daily that all scripture is breathed out by God and profitable. Help me to always be discerning and focused on you. Lord, I will channel my spiritual efforts on seeing the end in mind and applying God's word in my life. I can't wait to hear your words, "Well done, good and faithful servant." Amen.
