

The image is a composite graphic. The background is a wide-angle shot of a sunset or sunrise over a vast landscape, with a sky filled with soft, white and pinkish clouds. In the center, there is a square inset showing a close-up of a rugged, snow-capped mountain peak. Overlaid on this central scene is the word "MORE" in a large, bold, white, sans-serif font. The entire composition is set against a dark teal background that has a subtle gradient and a slight shadow effect, suggesting a window or a screen.

*HAVE YOU EVER HAD A MEMBERSHIP OR CURRENTLY HAVE A MEMBERSHIP THAT YOU REGRET GETTING AND WASN'T WORTH IT?*

### GOD IS NOT FINISHED

- *Is this all, or is there more? If someone asks you that, how do you respond?*
- *God doesn't just acknowledge our questions. He uses them to draw us closer to Him. How is God answering you? Are you listening?*
- *If God has brought you this far, He's not finished yet. What is God doing in your life right now?*
- *Read Philippians 1:6. Being a work in progress does not mean that God has stepped away from you. How can you look around and see God in a broken world?*
- *Read Romans 8:28. Sometimes we want quick answers to our prayers. We want microwave miracles and overnight holiness. God's process builds something inside of us. How do you exercise patience when waiting for God's timing?*

### GOD IS DOING SOMETHING NEW

- *Read Isaiah 43:19. We all have difficult things we deal with and pray about, and sometimes it seems like God is nowhere around. We have to remember delay is not denial. Think hard about something difficult in your life right now. Do you see what God is doing in this? What is He doing?*

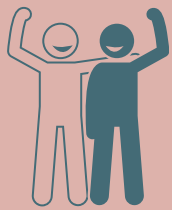

### GOD MEETS US IN OUR QUESTIONS

- *Read John 20:25-27. Even Thomas, a disciple of Jesus, found his faith taking a hit. Share a season in your life where you found yourself asking God hard questions. How did He answer? What did you learn in the season?*
- *If you've been walking with Jesus for a while, God sees your faithfulness and has more for you. Who have you been praying for over an extended period of time, and where has God already been acting on that prayer? How awesome will it be when you see all that prayer come to fruition?*
- *Bringing your doubt to God is the very doorway that can lead to a closer walk with Jesus. What does that look like?*

## ACT ON IT

### ENCOURAGE

Phil 1:6 assures us that God has more for you and He will bring it to completion! More growth, more faith, more of His presence. He shapes us through circumstances, through waiting, and through our prayers. Doubt doesn't disqualify you from an encounter with God! Keep showing up, even when it's hard, and know that God is still with you!

### ASK

Are you all in for Jesus! Isa 43:19 states: Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert. Spend time asking God to reveal any doubt you have about specific parts of your life, and ask Him to show you what new thing He is doing in you.

### CHALLENGE

God meets us in our questions. Take time this week to cry out to the Lord and ask Him the questions laying heavy on your heart, even the ones that feel hard to ask.

## PRAYER

God, thank you that you are always with us. Thank you for your presence, your comfort, your strength, and your encouragement, even in the waiting. Help us to show up, even when it's hard, and even when we don't understand what you're doing. You are not limited by what you did in previous seasons and we trust and hope in you! Fill us with the power of your Holy Spirit and may we continue to have hope in the midst of waiting and doubt. We love you Lord and we thank you! In the holy name of Jesus, Amen!
