THE STORY OF HOPE

ICEBREAKER

IF YOU COULD INSTANTLY BECOME REALLY GOOD AT ONE PRACTICAL SKILL, WHAT WOULD IT BE AND WHY?

ROMANS 2:4 ESV, "…KNOWING GOD'S KINDNESS IS MEANT TO LEAD YOU TO REPENTANCE."

Our guest speaker, Pastor Jacques Van Bommel, shared a story about meeting a practical need by providing wells in South African villages, which created opportunities for hundreds of children to be safe and to hear the gospel.

- We know we are called to share the gospel, but Jacques challenged us to show kindness that can open doors to sharing Christ. Share a time when God led you to show kindness by meeting a practical need.
- Why is giving to help meet someone else's practical need a challenge for us?
- Pastor Mike mentioned that we "give" our money to lots of things that do not have an eternal impact (i.e., Netflix, fast food, unused gym memberships, fancy coffee). When God asks you to give, have you ever considered giving up something in order to obey Him?

QUESTIONS CONTINUED...

1 CORINTHIANS 3:9-10 ESV, “FOR WE ARE GOD’S FELLOW WORKERS. YOU ARE GOD’S FIELD, GOD’S BUILDING…”
Pastor Josh Hannah shared about four different people who helped start Hope Center Ministries: the WIDOW who gave out of her lack, the CONTRACTOR who gave out of abundance and skill, the SHERIFF who used his position to open doors, and the JUDGE who obeyed God and used godly wisdom to change the direction of a man's life.

- Do you identify with or feel challenged by the way they gave?
- How are you making yourself more available to be a part of God’s bigger plan?

MIRACLE OFFERING

WEEK OF NOVEMBER 15, 2026

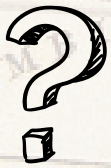

ACT ON IT

ENCOURAGE

As Josh Hannah reminded us, we are co-laborers with God (2 Corinthians 6:1; 1 Corinthians 3:9-10). Consider the four people God used to establish Hope Center Ministries — the penniless widow, the broke contractor, the newly elected sheriff, and the young judge.

Looking from our own perspective, we wouldn't expect life change to come from them. In 2 Corinthians 9:6-15, we're reminded to give generously and cheerfully, trusting God to provide what we need and use our generosity to bless others and bring glory to Him. God isn't asking us all to give the same thing, but He does want us to ask the same question... "God, what would You have me give?" We can trust Him with what comes next..

ASK

Josh had a vision, and God used a widow with a single-wide trailer and $17, a broke contractor, and others to help bring it to life. Are you willing to co-labor with God in building His Church, even when what you have to offer seems small?

CHALLENGE

Our Miracle Offering launched today, November 15, 2026. You can follow the link to make your gift. This week, take time to prayerfully consider what commitment you will make as we continue co-laboring on this Kingdom Builders journey.

PRAYER

Use these prompts to help guide your prayer:

- Open my eyes and ears so I can see the opportunities You've already placed in front of me.
- Help me to step out in faith beyond my own comfort.
- Guide me to be a Kingdom Builder.
